LOGISTICS

DISTRIBUTION & TRANSPORTATION

A finely-tuned network gives our customers an assurance for fast and reliable delivery. We deliver good service! We combine airfreight and road freight and short transit time and reasonable cost.

FSM Logistics offer effective and secure movement of cargo between warehouses, terminals and other cargo depots. Add to that a distribution service that is adjusted 100% to the customer's needs, and you have a good impression of how FSM Logistics operates.

We also offer land transportation solutions to efficiently and economically move your goods of any size, shape or quantity from one point to the other, employing specialized equipments with heavy lift capabilities.

CUSTOMS SERVICES

Every cargo consignment for import / export needs customs clearance. It can be difficult to deal with global rules and regulations. The lack of correct paperwork, certificates and experience can result in extra cost and delays.

FSM Logistics combines expertise with local knowledge to ensure fast and friction free handling of each and every clearance the moment it arrives, saving our customers' time and money.

INSURANCE

Insurance of goods is very often neglected. Delivery terms and other agreements will have strong impact if something unforeseen happens. FSM Logistics will be glad to help you to find a suitable insurance for each individual consignment.

FSM Logistics has insurance liability and cargo insurance with major insurance companies. Additional insurance may be obtained from the company through its own open insurance policy or through individual insurance policies at an additional cost.

Cargo Insurance Specialist/ Full Liability Coverage / Economical Rate
Door-to-Door Insurance / Local, Responsive Representative / Documentation and Reporting / Payment of Premiums / Assistance with Claim Processing

ABOUT

The Company

FSM Logistics Sdn Bhd was founded in 1994 by a team of highly experienced people specializing in the industry of both transportation and logistics. We offer a wide range of air/sea freight logistics services around the world. With a combination of our specific industrial skills / knowledge, human resources and information technology, we ensure that your products can be delivered destinations efficiently, effectively, on-time and within your budget.

The establishment of a worldwide network group of associates and agents enables us to access offices and distribution outlets in major ports globally.

We have gone from strength to strength over the years, enhancing our reputation along the way with the business partners and clients. Today, FSM Logistics has grown from a company with 8 staff to 48. Such achievement is mainly attributable to our good quality services, cost-effective transportation and unique logistics solutions. Our vivid future is derived from our total commitment to our members, partners and customers.

By recognizing the importance of relationships between ourselves and customers, our teams are highly trained to provide just the kind of services you are looking for. So for your next shipment, just give us a call to our customer service and state your needs. Our customer service representatives will be ever ready to serve you.

Mission and Vision

FSM Logistics' primary goal is to provide its customers with seamless and cost-effective logistics solutions. As approaching to the 21st century, we strive to grow and further expand our services in order to meet the ever-changing needs and expectations of customers around the globe.

We rigorously adhere to the following specific points of works ethic and practice that best depict our mission:

- Dedicating to understanding of the ultimate needs of customers
- Precisely identifying and highly responding to issues raised by customers
Devoting to enhance service quality through regular job review and appraisal
- Dedicating to business growth and being aware of the career development of employees
- Constantly upgrading and enhancing our industrial "know-how" in a timely and proactive manner.
